# 1. Scope

This document provides changes and corrections to the following document files:

- WAP-145-PUSHMessage-19990816-a
- WAP-145\_100-20001211-p (obsoleted by this document)

This Specification Information Note (SIN) introduces a new format for the Static Conformance Requirements (SCR) tables that better reflects dependencies towards other WAP specifications.

# 2. Notation

In the subsections describing the changes new text is underlined. Removed text has ~~striketrough~~ marks. The presented text is copied from the specification. Text that is not presented is not affected at all. The change descriptions may also include editor's notes similar to the one below. The notes are not part of the actual changes and must not be included in the changed text.

**Editor's note:** Framed notes like these only clarify where and how the changes shall be applied.
