## Contents

1. **SCOPE** .................................................................................................................................................. 4
2. **NOTATION** ......................................................................................................................................... 4
3. **REFERENCE** ....................................................................................................................................... 5

3.1 **CHANGE CLASSIFICATION** ............................................................................................................ 5
3.2 **CHANGE SUMMARY** ....................................................................................................................... 5
3.3 **CHANGE DESCRIPTION** ................................................................................................................ 5
1. Scope

This document provides changes and corrections to the following document files:

- WAP-191-WML-2000-02-19-a

It includes changes from the following change requests:

<table>
<thead>
<tr>
<th>Change Request</th>
<th>Title</th>
<th>Comments</th>
</tr>
</thead>
<tbody>
<tr>
<td>WAEALL13-IBM-20001107-HTTPref</td>
<td>HTTP Normative Reference</td>
<td>Updates the WAE 1.x suite to refer to RFC2616 instead of RFC2068.</td>
</tr>
</tbody>
</table>

2. Notation

In the subsections describing the changes new text is underlined. Removed text has strikethrough marks. The presented text is copied from the specification. Text that is not presented is not affected at all. The change descriptions may also include editor’s notes similar to the one below. The notes are not part of the actual changes and must not be included in the changed text.

**Editor’s note:** Framed notes like these only clarify where and how the changes shall be applied.
3. Normative References

3.1 Change Classification

Class 2 – Bug Fixes

3.2 Change Summary

Listing of Normative References

3.3 Change Description
